Navy & Lavender

We heard about [Navy & Lavender](#) from a little bird and we are hooked! As an online resource for favors and gifts, Navy & Lavender packs a stylish punch for an affordable price. Choices range from spa sets and chocolates to tote sets with customizable colors! We especially love the [Spring Awakening](#) and [Summer Lovin' Welcome Tote](#) sets.

Navy & Lavender not only has favors for guests, but gifts for bridesmaids and groomsmen as well. Check out the [golf](#) inspired gift set for him and the [beach](#) inspired gift set for her.
