something blue

## Time for the Blues

Finding your "something blue" no longer has to be a burden. Companies have clued in to the bride's need for a uniquely blue treasure, and we've brought you a vast array of options.

### 1. Ring Bearer Pillow, \$130

The Glitzy Girl ring bearer pillow by Maihar Design is a sophisticated way of incorporating your "something blue" into your wedding ceremony. These hand-stitched pillows combine luxurious fabrics with elegant details to create a memorable accessory for your wedding. Find out more online at [MaiharDesign.com](http://MaiharDesign.com).

### 2. Customized Monogram Tray, \$40

From wedding day to every day, this trendy melamine tray from Navy & Lavender ([NavyAndLavender.com](http://NavyAndLavender.com)) brings your something blue into the home. Choose your style and customize with a single initial, three-letter monogram or a name.

### 3. Sunflower Pumps by Enzoani, \$175

You're probably aware of their amazing wedding gowns (see *Dream Dresses* on page 94), but now Enzoani has designed a collection of shoes for your bridal ensemble as well. The Love collection features more than a dozen styles, many of which come in shades of blue. Visit [Enzoani.com](http://Enzoani.com) for more details.
